

What did you see?

Can you find a way to make it easy for you to note down the highest number of each species that you see together at the same time? There is room below each bird's name for you to add your idea for doing this.

Your name

Woodpigeon

I saw

Blackbird

I saw

Carrion crow

I saw

House sparrow

I saw

Starling

I saw

Black-headed gull

I saw

Magpie

I saw

Blue tit

I saw

Robin

I saw

Feral pigeon

I saw

Great tit

I saw

Chaffinch

I saw

Did you notice anything in particular about the birds you saw? Differences in how they moved or what they were doing? Or perhaps you managed to see and identify a bird not shown here? If so, note these things in the space on the back or on a separate sheet. Don't forget you can get help from rspb.org.uk/birdidentifier. For more information, visit: rspb.org.uk/schoolswatch
